BEYOND BOUNDARIES

A Celebration of Women's Artistic Expressions

DRAGONFLYSTUDIOCREATIONS

Barbara Mason

LINGZHIWU.ART

Lingzhi Wu

WEEDA.ART

Weeda Hamdan

These artists create a compelling mosaic through diverse cultural heritages where traditional geographic and artistic boundaries dissolve.

Each channels her unique perspectives, transforming personal experiences into universal narratives. This collection stands as a powerful meditation on human connection and vulnerability by exploring life's intricate layers.

It invites viewers on a dual journey that delves into the wellspring of inner resilience while reaching outward to forge bonds with the broader world.
